

27 O'reilly Ct, Jane Brook

Another one SOLD!

NOT YOUR AVERAGE!

Located in a quiet culdesac, this property would make a perfect investment or be suited to downsizers. A light and bright home that has a lovely feel to it, there are many unique features on offer.

The sunken lounge has a cosy slow combustion fire, high cathedral ceilings and an enormous peaked window to let the winter sunshine in from the northwest facing aspect.

This forms part of the main living space which includes the dining area and the very practical kitchen with loads of storage. Hard wearing tiled floors in the main traffic areas make life low maintenance.

The generously sized bedrooms all have built in robes with the main bedroom having additional built-in cupboards and an ensuite, whilst the 2nd bathroom has both a shower and bath.

The double garage leads through to a powered workshop and a spacious yet easycare backyard features another larger than normal garden shed.
