This charming and well maintained property offers so much - not least of all the newly renovated kitchen which is contemporary in style and has loads of cupboard / storage space. Centrally located, the kitchen overlooks the dining/family area as well as a handy computer nook. To the front of the home, there is a separate lounge room with master bedroom adjacent.

The remaining bedrooms are located from a secondary hallway at the rear of the property and are fitted with integrated built in drawers to the robe recesses. For your comfort there is a fully ducted evaporative air conditioning system and if you are just starting out, the seller is happy to leave the furniture behind!

Externally, pergola extends down the side of the property and wraps around the rear, giving plenty of entertainment space. The home also boasts side access and affords loads of extra parking.
