

121 Dongara Cir, Jane Brook

Another one SOLD!

SURPRISINGLY SPACIOUS

This property is located in popular suburb of Jane Brook and has great access to main arterial roads as well as the Swan Valley on your doorstep.

The generous size formal lounge at the front of the home is one of 2 living areas and can be shut off from the 2nd open plan living area. This kitchen/family/dining space also has a door to separate itself from the 2nd and 3rd bedrooms. The master has a walk-in robe and ensuite, whilst the minor bedrooms both have built-in robes.

Hard wearing flooring throughout is a feature whilst the spacious main living area is surrounded by large windows, letting in lots of natural light. This really opens up the lovely kitchen that has quality gas cooking, plus extra bench space for preparation or it can be used as a breakfast bar.

There is a large undercover patio that could cater for large gatherings, that wraps around the rear of the house and covers the raised timber deck. The fully fenced backyard has a garden shed and plenty of room for something bigger if desired (please speak to the local authority to discuss allowable uses).

The double carport has access to the rear and with a little modification could easily give vehicular access, whilst there is also the possibility of access to the backyard from the side fence.
