

19 Vanessa Way, Swan View

SOLID BRICK AND TILE 1980S HOME PERFECT FOR THE INVESTOR OR 1ST HOME BUYER

A very comfortable home as it is with so much potential to value add as much of the home is in the original condition.

Whilst this home is ripe for renovations, nothing is urgent and things can be done at your leisure.

Living areas feature a good size lounge plus a massive games room that has been separated to make 2 separate rooms, so there's plenty of space for a growing family.

A full length patio and carport with rear access leads to the perfect place for a shed/workshop (subject to city of Swan approval)

The fully fenced rear yard is the perfect place for the kids to safely play, however there is a playground and park just around the corner and public transport is an easy walk away, not to mention schools, shops etc
